EDUCATION

Columbia Journalism School, New York, NY

May 2018

- Master of Science in multimedia reporting with focus on radio broadcast and narrative audio.
- Covered healthcare for *Uptown Radio*, reporting stories about the respiratory impacts of rat infestations in Harlem, chaplains' growing role in geriatric care and doctors' new strategies for convincing patients to get the flu shot. Graduated with honors. Received course honors for reporting, radio workshop and master's project. Awarded the 2018 radio prize.

University of California, Los Angeles

June 2017

- Bachelor of Arts in French and Communication Studies, magna cum laude.
- Launched *Global Voices*, a podcast for UCLA's foreign affairs magazine and website. Awarded reporting and research trip to Sweden for an audio documentary and research paper about app-based solutions for promoting refugee integration.
- Semester abroad at Université de Lyon (Sciences Po) studying journalism.

EXPERIENCE

Associate Producer, Audio

June 2018 — Present

Business Insider, *Household Name* and *This is Success* podcasts

- Report and produce episodes of *Household Name*, including stories about Disneyland's unlikely gang scene, the truth behind Mattress Firm conspiracy theories and the real people for whom IKEA's hard-to-pronounce furniture is named.
- Book guests, manage studio production, draft web copy and edit weekly two-way interviews for *This is Success*.

Producer

Jan 2018 — Present

duPont-Columbia Awards, *On Assignment Podcast*

- Lead studio recording and production for episodes chronicling duPont-Columbia award winners.
- Cut and mix episodes for monthly release.
- Coordinate interview prep and booking.

Project Assistant

Sept 2014 — June 2017

Sustainable LA Grand Challenge

- Produced video, designed graphics and blogged for this interdisciplinary research initiative that aims to achieve 100% sustainability in Los Angeles by 2050.
- Researched the effects of subway stop construction on low-income communities and wrote an editorial published on the UCLA Grand Challenges website and in the *Daily Bruin*.

SKILLS

Multimedia editing:

- *Audio*: Pro Tools, Hindenburg, Audition
- *Video*: Final Cut Pro, Premiere
- *Graphic*: Illustrator, InDesign, Photoshop

Social: Real-time reporting for a targeted audience through Twitter, Instagram and Facebook.

Languages: Fluent in Swedish and French.

ASK ME ABOUT

Hiking and backpacking

Including the time I [broke my arm](#) in a remote Norwegian fjord

My feelings about the Boy Scouts of America

And what being a [Sea Scout](#) taught me about journalism

The [eight-cello cover band](#) I started in high school
